*We Dedicate the '63 INGOT
to a Man Who Himself
Is Dedicated
President John F. Kennedy*

We, the Ingot staff of '63, wish to express our gratitude and appreciation for being able to have served a school like River Forest. Without the aid of men like President John Kennedy the privilege of attending school and the many other things we take for granted would be forbidden. So in our own little way, we would like to say thanks to a great man, by dedicating our Annual, The '63 INGOT, to PRESIDENT JOHN FITZGERALD KENNEDY.

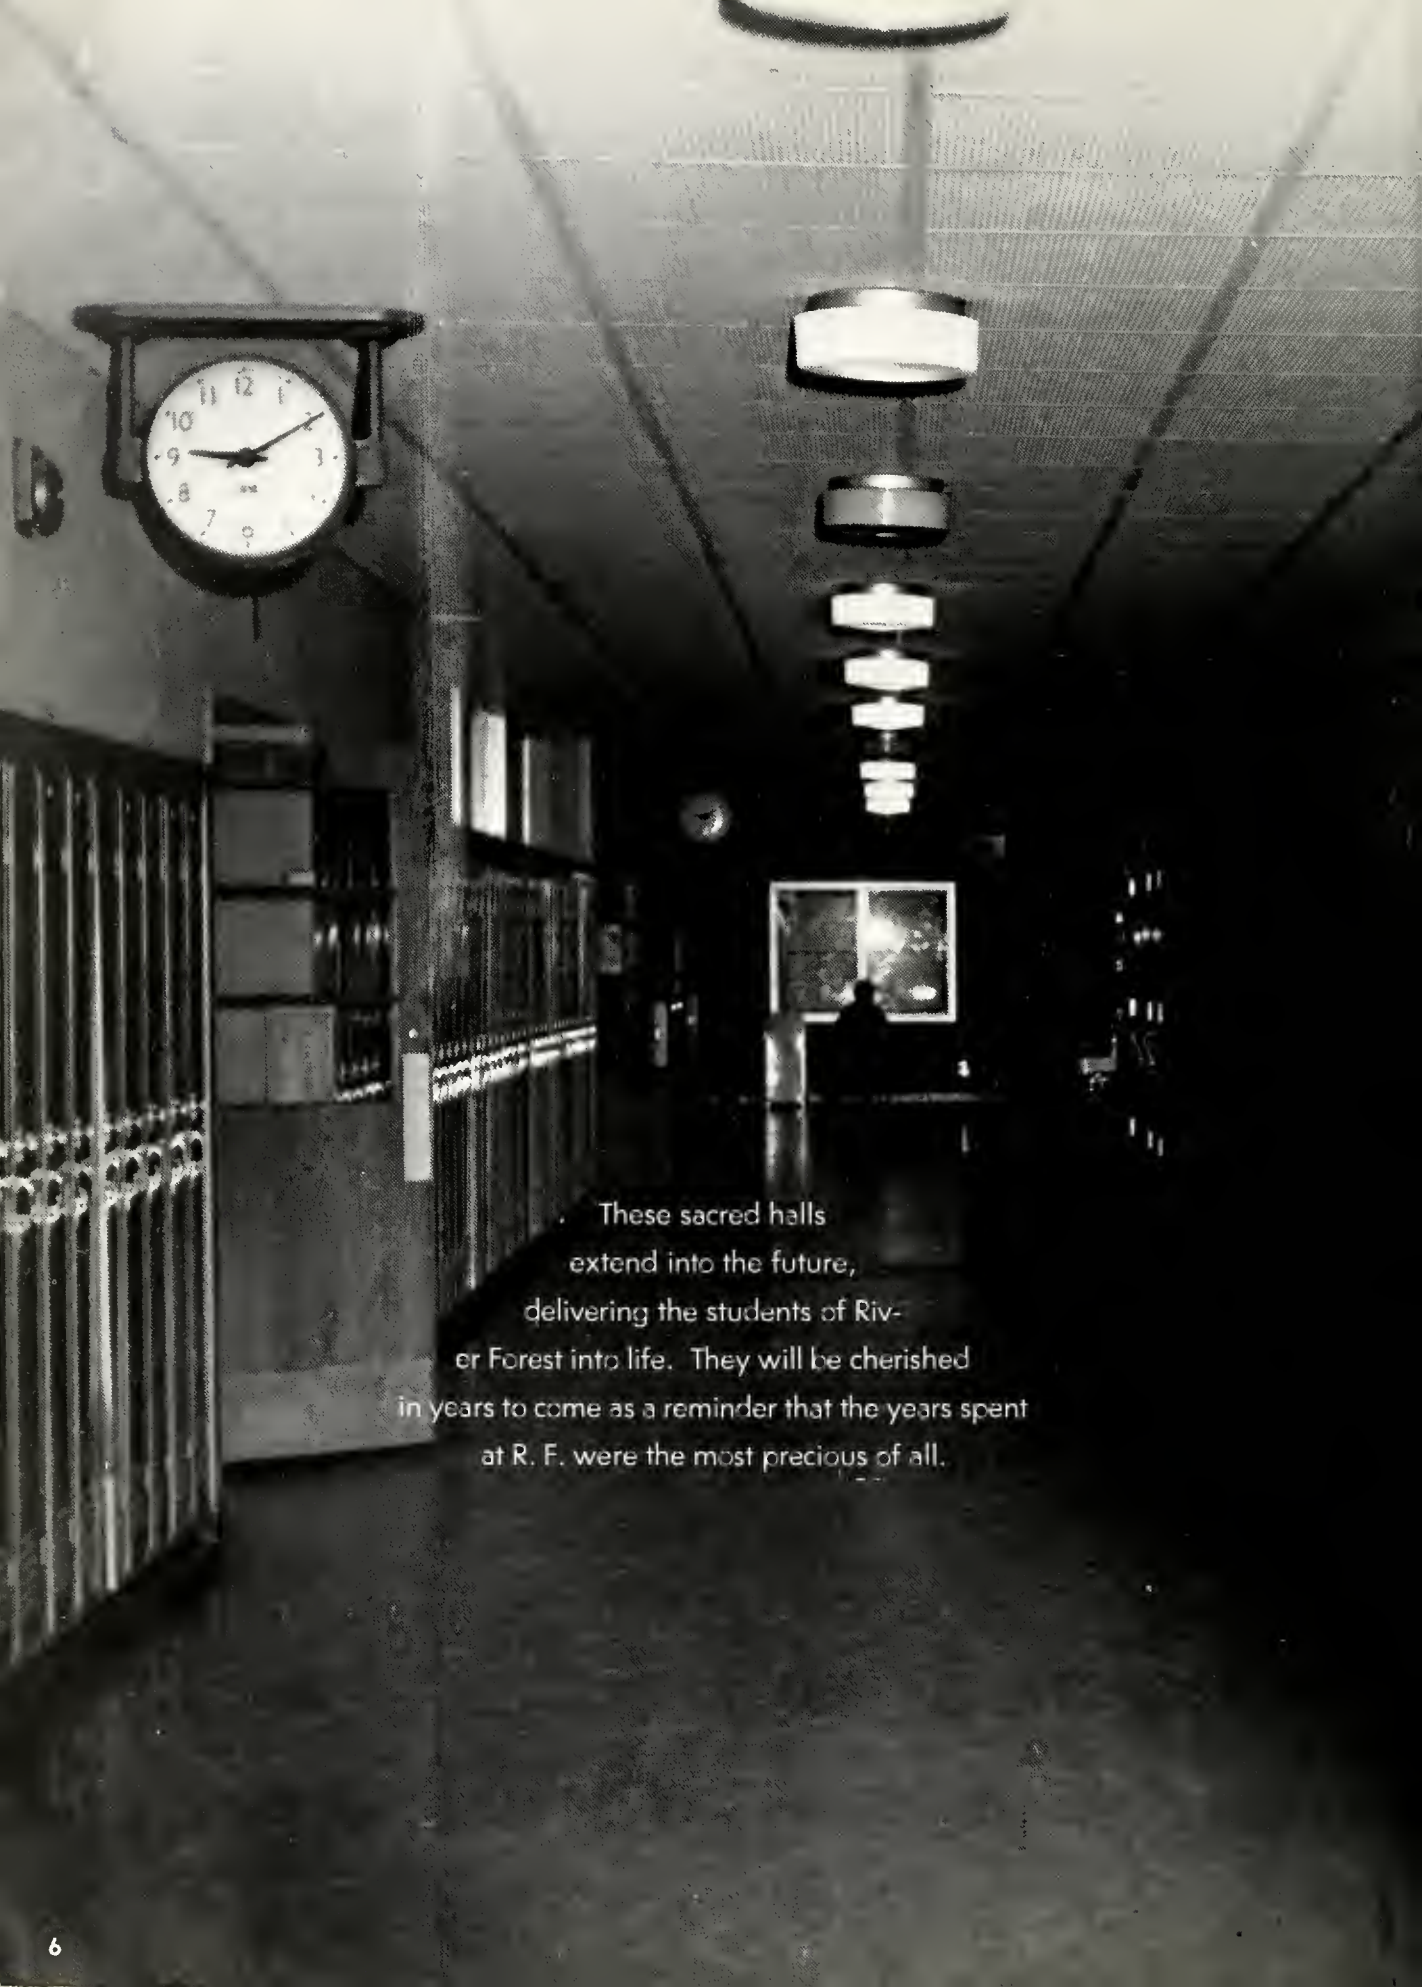

A WORD FROM THE PRESIDENT

And so, my fellow citizens of the world: ask not what America will do for you, but what together we can do for the freedom of man.

Finally, whether you are citizens of America or citizens of the world, ask of us here the same high standards of strength and sacrifice which we ask of you. With a good conscience our only sure reward, with history the final judge of our deeds, let us go forth to lead the land we love, asking His blessing and His help, but knowing that here on earth God's work must truly be our own.

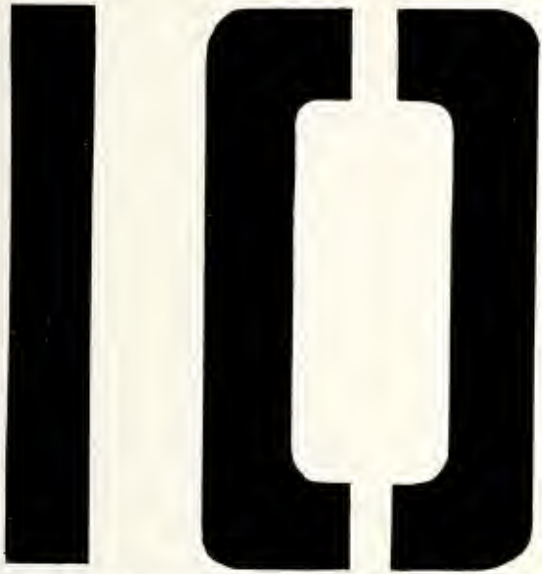

President J. F. K.

Hi Sarb,
I really think that you'll have a
hard time following where I'm writing!
First of all, I wanna say that
if you go back I'd miss ya.
(page 8)

These sacred halls
extend into the future,
delivering the students of Riv-
er Forest into life. They will be cherished
in years to come as a reminder that the years spent
at R. F. were the most precious of all.

*People Who
Command
Our Space Ship*

In Command of Launching Processes

EDWARD B. WEISSE, principal, is the mainstay of our launching crew at River Forest. He retains the vital role of watching over and managing all affairs of the school. The tremendous task of directing students, faculty, departments and maintenance of our school rests in his hands.

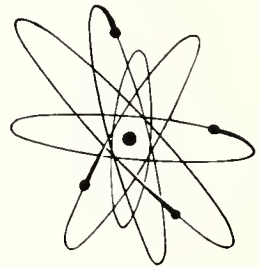

a lot!!! I've enjoyed being your friend
& I hope we'll always be friends
no matter what. I wanna
thank you for helping me with
(page 14)

The Past and the Present

MR. WILLIAM HALE GREEN

Speaking in behalf of the whole school, we'd like to thank Mr. Green for all he has done for our school. He has done a great job and we are proud to have had him connected with our school.

MR. CLARK JOHNSON

Mr. Johnson is our new Township Trustee. We are happy to welcome him into our school system. We are very confident he will do his best serving our community and schools.

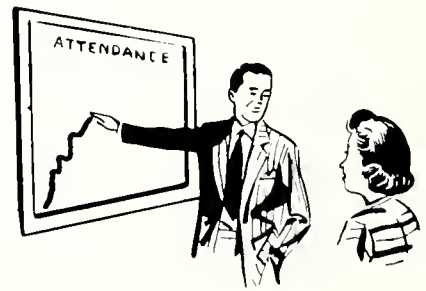

Engineers of Guidance

MR. ROBERT WAINSCOTT, Assistant Principal and Guidance Director. He and Mrs. Bailey can be considered our "ground crew." Their jobs are many and varied, ranging from scheduling classes to analyzing the character of students.

Both engineer our guidance system and schedule post-launching activities of our "studenauts."

MRS. WANITA BAILEY Head Guidance Counselor at River Forest. A busy woman, always on the go in or outside of school.

They Orbit Our Affairs

MRS. GEORGE SEMERAU, secretary to Mrs. Bailey. She activates and records the process of guiding Ingot "flight" into the "atmosphere" of life.

MISS CAROLE DZUIBLA, secretary to Mr. McCubbins assists in compiling the "galaxie" of information available in our library.

MRS. DORIS BARTZ, secretary to Mr. Weisse. She answers phone calls, keeps school correspondence and school records in good shape in addition to many other tasks which aid in the coordiance of affairs.

MRS. ELEANOR KEKELIK, school treasurer. This is the countdown! \$500 . . . \$100 . . . \$50 . . . \$10 . . . Each day she is available in the main office, counting and figuring to keep the money records straight.

Above, l-r: Mildred Matheny, Norma Million, Oyjdal Isakson, Dorothy Garland, Irene Harper, Evelyn Morgan, Hilda McKee, and Josephine Cauley.

The ladies in the kitchen scene are responsible for the Grade "A" lunches served to satisfy hungry Ingots. Every day the aroma of cooking food finds its way around the school to urge the students out of the class and into the lunch line.

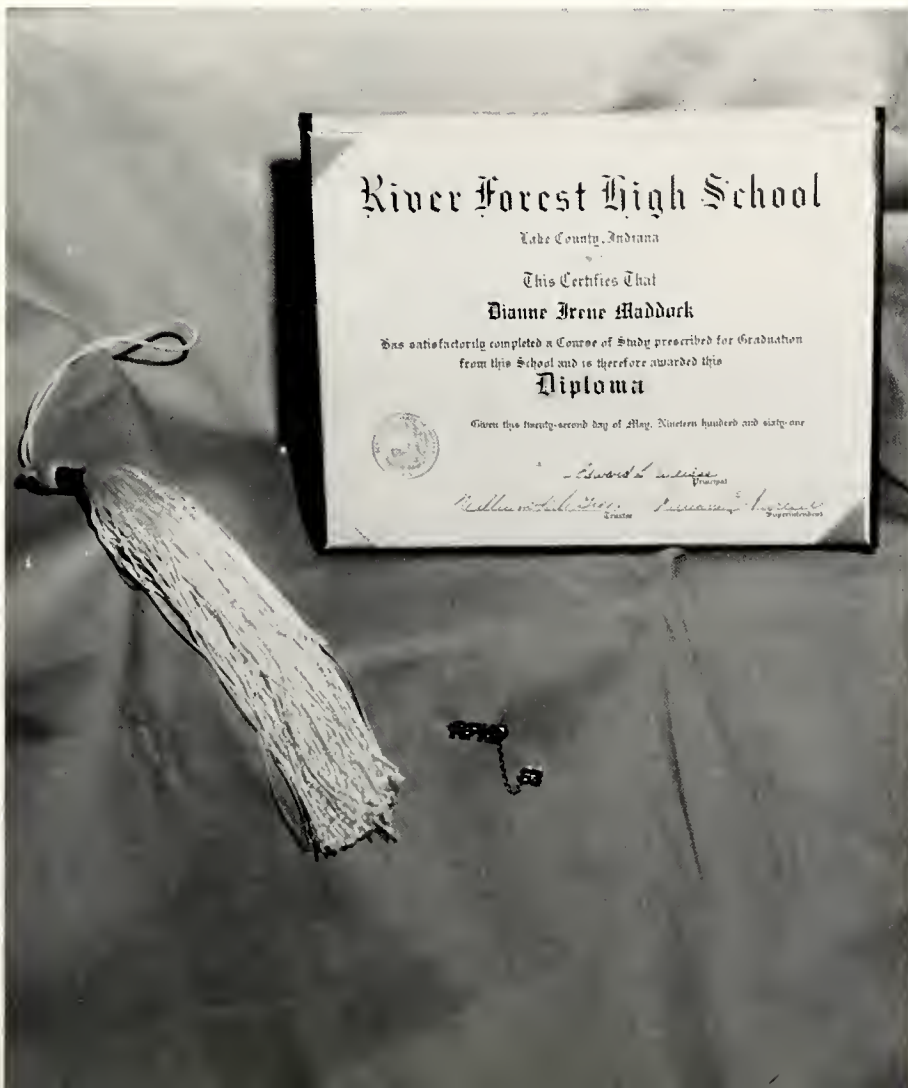

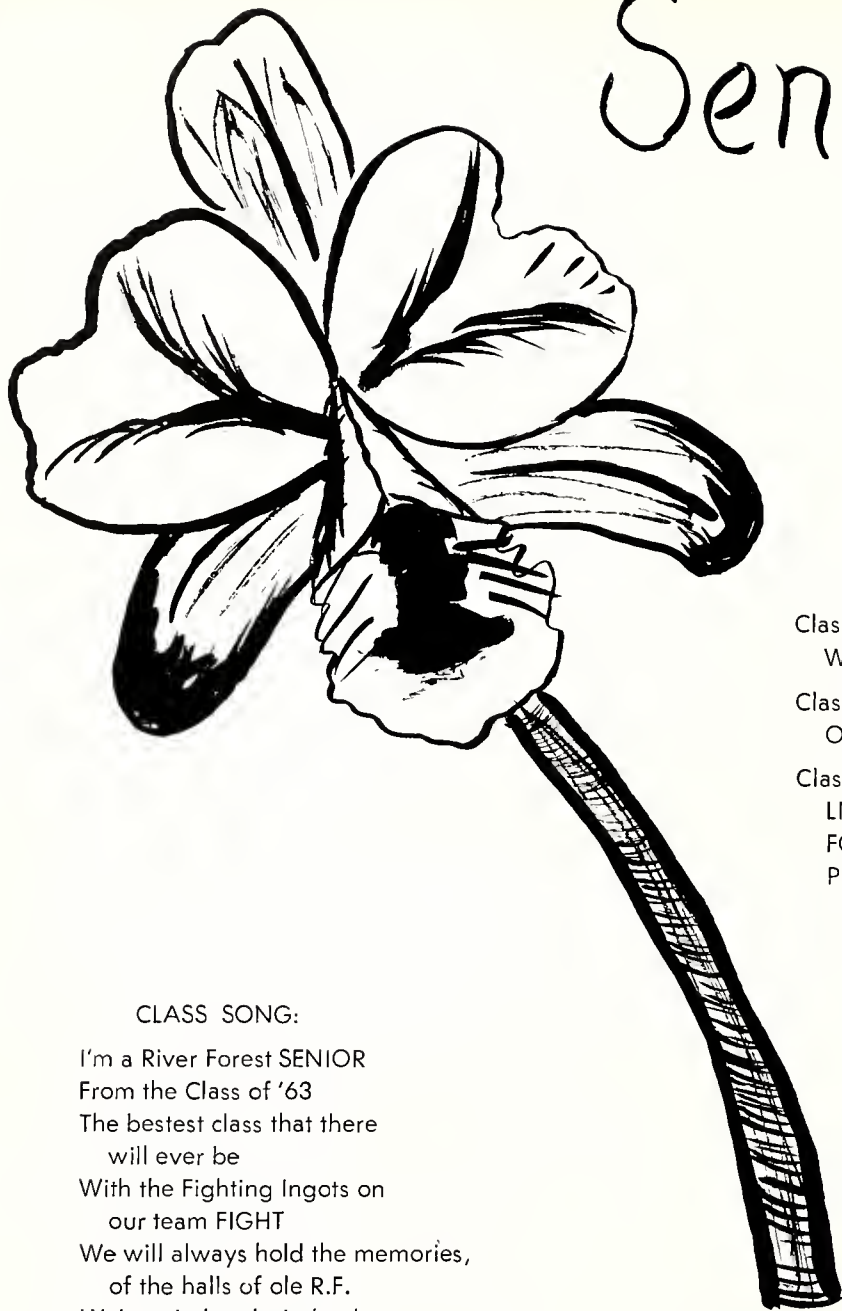

These people in the picture at the left are being tested for tuberculosis.

L-r: Art Gear, Edde Lemons, Rita Fahey, Joe Parker, Jo Beaty, and the nurses, Mrs. Helen McKinney and Mrs. Lucille Gay.

Anyone for a juicy pair of frog's legs? Shown here are Florence Palmowski and Harvey Dickson as they dissect a frog in Biology class.

MR. EARL STUDTMANN
Biology

The Science department at River Forest plays one of the major roles in rocketry for the Ingot astronauts. Yes, they are the ones who do the necessary calculations, experiments, and, in addition to many other things, the maintenance of good, physical bodies.

In physics the students are able to learn about matter and energy. Through experiments they can observe the many mysteries, as well as learn to understand and explain them.

In chemistry the students stand in amazement at

some of the interesting results of their experiments. Here they are able to create gases and salts, as well as many other compounds. They delve into the inner secrets of many of the elements and strive hard to become good scientists.

In Biology class the students learn about the physical and mental functions of the body. They are able to understand more clearly the mechanics of our metabolism by some of the dissections they make in class. Since the frog's metabolism is similar to ours, it is often used for their experiments.

Remember us, please, cuz
we'll always remember
you.

Literature is one of the important phases of English as students in Miss Betty Major's class find out.

In a space program for the furtherment of our conquest in space one of the essential tools is unity. Much planning before, after and during the trip is needed. This takes a group of trained men united and working together.

Unity is also provided in our Language Arts program. A group of teachers are united with the main purpose of teaching students. Students are taught how to use their knowledge of reading and writing in the best way.

Perhaps this knowledge of space may one day bring benefits beyond our imagination. So the knowledge that is provided in these daily classes may help us to reap benefits in the days to come.

A Venus Crowned Queen

The Fourth Annual Homecoming affairs honored Her Majesty, Miss Elizabeth Knight, as Homecoming Queen of 1962. The ceremonies were held on the 21st and 22nd of September. For the first time in history, River Forest played a homecoming

on the High School's own new football field. The Homecoming celebrations started with a pep-session Friday, last period, and a bon-fire Friday night. The game against Andean was played Saturday night, followed by a dance in the high school cafeteria.

The Royal Family give their fondest congratulations to their big celebrity, Queen Elizabeth, or to the girl they know better as "Bubi." The members of the Royal Family are, front row, George, David, Noll, Barbara, back row, Patti, Frank (Dad), Queen Liz, Marylu (Mom), Frank, and friend Wes Rockhill.

The Queen, in all her glory, possessing the natural qualities of a River Forest Senior, sets graciously upon her golden carriage.

Queen Elizabeth steps out of her carriage (a Corvair) chauffeured by a Prince Charming (her father) into the hands of her Escort Warren Radcliff.

The Queen in everyday life, takes a pause for a quick refreshment between classes.

A Glimpse of the Queen

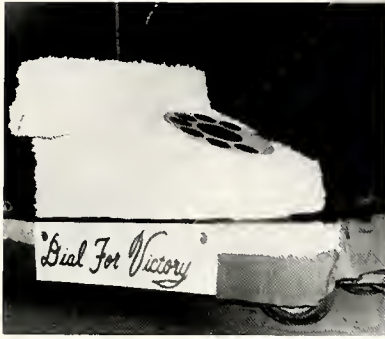

What a lovely group of ladies! These pretty girls represent the classes in the Homecoming activities held at River Forest. The girls are, left to right, Laura Santos, Junior; Georgiann Warner, Senior; Queen Elizabeth Knight, Senior; Mary Midkiff, Junior; Barbara Carlson, Sophomore; and Francine Prunsinski, Freshman.

The Queen, Court and Escorts, looking very satisfied, await the Homecoming Dance to commence. They are, left to right, Bob McKnight, Laura Santos, Joe Romo, Georgiann Warner, Lee Courtney, Her Majesty Elizabeth Knight, Warren Radcliff, Mary Midkiff, Wayne West, Francine Prunsinski, and Ronnie Lee.

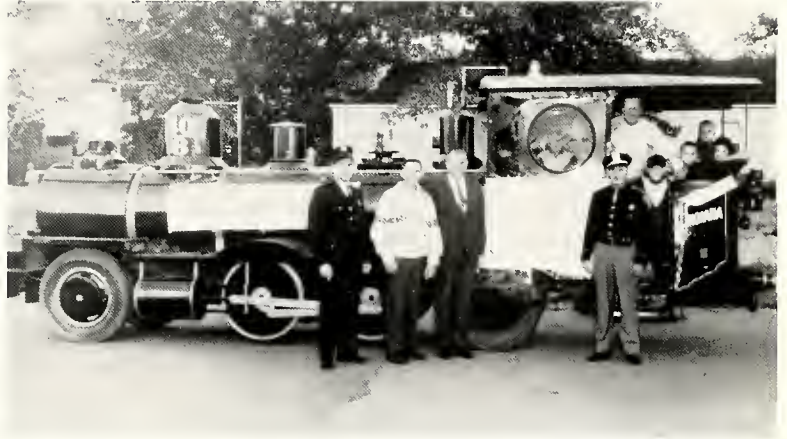

Bill Lute, as President of the class of 1962, crowns this beautiful Venus Queen of the Fourth Annual Homecoming held at the new football field of River Forest High School on September 22, 1962. On-lookers include Lee Courtney, Wayne West, Mary Midkiff and Joe Romo.

Homecoming Parade Reveals Hard Work!

The Sophomores said to "Dial For Victory" and they did. The Ingots didn't claim victory over Andean but the Sophomores did over the float contest. They won first place with their trophy-taking telephone.

"Toot-toot," says the engineer of the American Legion Post 454. The Legionnaires always support the Ingots in every way possible.

This telephone is the victory float of River Forest High School's Fourth Annual Homecoming Parade. Designed and engineered by the Sophomore class of '65. If the Sophomores continue to do all their work this well, they'll be a class worth watching.

"Blast The '59'ers" was the theme on the Senior float. Although their float didn't win first prize, it revealed lots of hard work and deep thought.

From left to right: Mr. William Hale Green, Mr. Ray Madden, and Mr. Edward B. Weisse.

An American flag which had flown over our nation's capitol in Washington was presented to River Forest High School Saturday night, Sept. 15, when the Ingots' new field was dedicated. Present for the presentation and field dedication were William Hale Green, Ray Madden, and Edward B. Weisse. The flag was presented to the school by Representative Madden. During the dedicatory program, the River Forest athletic field was named Madden Field, in honor of the veteran Indiana law maker. During the evening the Ingots defeated Walkerton with a score of 25 to 6 victory.

"Powder Puff Football"

Oh no, Mary! Roberta Fahey, Senior, seems determined to keep Mary Hill, Junior, from getting hold of that football before she carries it a while.

Sharon

Autumn came, and that meant only one thing to Senior and Junior girls taking part in the Powder Puff Football game; practice on top of practice until that big day came. Everywhere you looked, you saw girls in bobby-socks and blue-jeans, carrying a football and yelling signals.

Under the supervision of Varsity football players, the girls underwent hours of exercise and plenty of running. But despite all the soreness and bruises from the work-outs, the girls had fun, and lots of it. Mixed-up signals, forgotten passes and a good sense of humor, all combined, made it one of the most unforgettable events of the year.

The game took place on the newly dedicated football field, Sept. 29. The game came to an end with the Junior girls ahead 12-6.

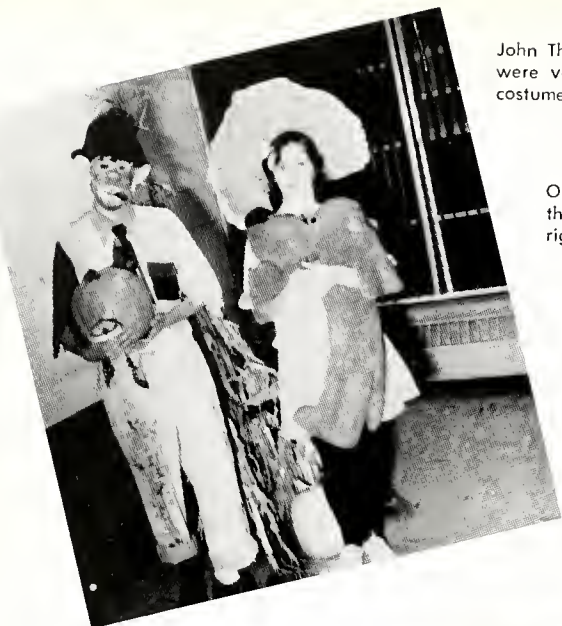

Boy, they look determined!

No, these beauties aren't from another school, take a second look, they're our own; Jim George, Wayne Bernoska, Dick Lile, Hubert Stanley and Phil Zoladz.

John Thomas and Dana Pritchett were voted as having the best costumes.

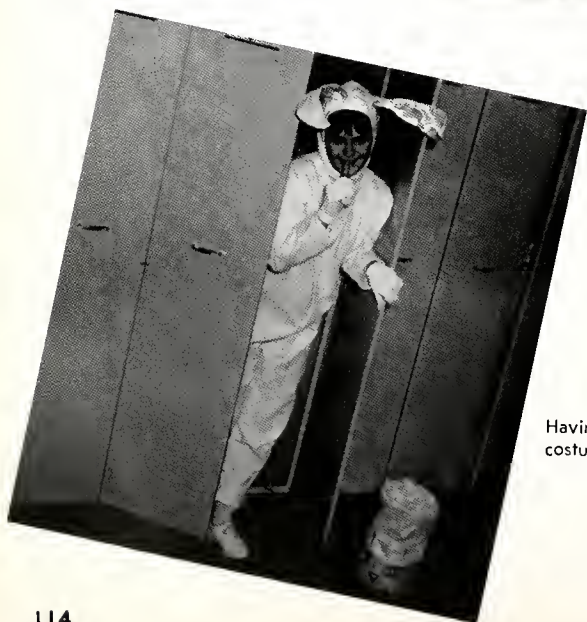

Other costumes featured at the party are shown at the right.

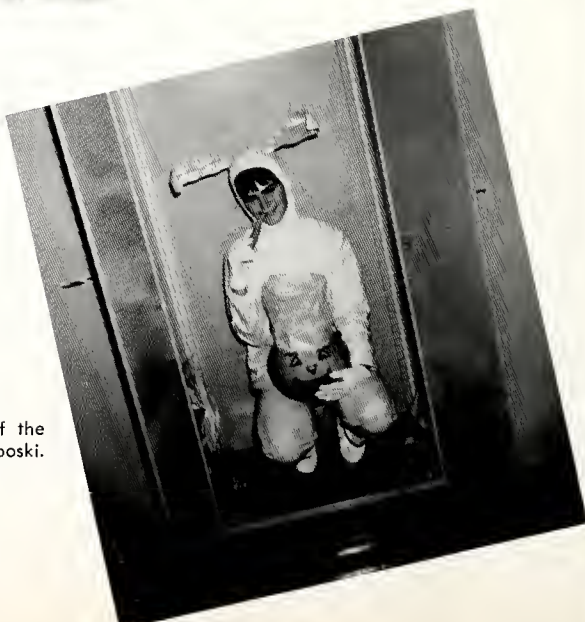

Games, dancing, and frolicking were enjoyed by many October 31, at the Halloween Party.

Responsible for this activity were members of the FBLA, with Jerry Adams as chairman.

Having the most unique of the costumes was Linda Zromboski.

The Third Annual Armed Forces Day was held at River Forest on February 12, 1963.

The purpose of this program was to inform graduating students of the many opportunities available to them in the Armed Forces of America.

There was a general meeting in the gym, the girls on one side and the boys on the other. Each representative gave a short talk, the meeting was dismissed and students went to the service of their choice during the next two group meetings.

Students found their stay to be both interesting and great fun.

Alternates were:
Bob Uskert
Edd Lemons
Jim Stomps
George Jansen

Alternates were:
Judy Bond
Wanda Schwartz
Dorothy Baimakovich

The 1962-63 Hoosier Girls' State Representatives were Elizabeth Knight and Mae Riggers. Seven enlightening days were spent on the I. U. campus at Bloomington, Indiana.

Hoosier Girls' State

Seniors and

Wednesday morning at 5:00 A.M., the Senior and Freshman classes boarded buses bound for Indianapolis, Indiana.

They stopped at Purdue University for breakfast and a brief rest.

After they reached the State Capitol, they were escorted through the buildings and introduced to the representatives from our district.

Freshmen Go to Indianapolis

Following lunch at the ISTA building, the students were allowed to visit and shop around in the heart of the city.

Later on, they again boarded the buses for the return trip.

For supper, Purdue served as their host. After supper, some of the students bowled, played pool, and explored the campus.

College Day Gives Aid

Mr. Gerald Martz informs his group on the campus life at Butler University, as well as the requirements, and any other information that they would like to know about. Mr. Martz is the Admissions Counselor at Butler.

Mr. Richard D. Rowray, seated, gives information on Ball State to Mr. Ben Zalas, Miss Judy Hunke, Jean Daves, and Shirley Combs. Miss Hunke, his assistant, is an alumnae of River Forest, and a student at Ball State.

Dr. Lester Wolfson, Against the wall, and Mr. William Elster represent the Indiana University Gary extension and the Bloomington campus, respectively. They had the pleasant task of answering all questions and informing their groups of the requirements at Indiana University.

in That Decisive Step

Mr. Ben Zalas is showing one of the many sources of information on college life to four River Forest students.

The annual College Day was presented on November 5, 1962, under the supervision of Mrs. Wanita Bailey. In the afternoon the Juniors and Seniors were invited to hear a panel discussion presented by four River Forest alumni with Gordon Klawitter as chairman. The panel was comprised of the following: Judy Hunke representing Ball State; Lynn Warner, Indiana University campus; Bob Peters, Purdue University; and Alan Kasper, Indiana University Gary extension. They discussed many topics about college life that interested their listeners.

That evening there were representatives from nine colleges that presided over discussion groups. They were: Mr. Gerald Martz, Butler University; Mr. Marshall Tackett, Purdue; Mr. Lee Walters, Alumni, Michigan State; Dr. Lester Wolfsen, Indiana University, Gary campus; Mr. William Elster, Indiana University, Bloomington campus; Mr. James Cronin, St. Joseph College; Mr. Robert Phillips, Valpo Tech Institute; Miss Jean McCarthy, Tri-State College; Mr. Richard Rowray, Ball State, and Mr. Anthony Tortorella, Jr., St. Xavier College. The Honor Society was on hand to give aid.

Mr. Marshall Tackett answers one of the many questions of the night asked on college life at Purdue University. He was being assisted by Bob Peters, an alumnus of River Forest.

"He Did the . . . Monster Mash"

Is this River Forest High School Gymnasium? or American Bandstand? Ask Millie Arocho and Tom Santos. They seem to be so absorbed in each other that they could be at the "C.C." and not know the difference.

They did the "Monster Mash" or is that the "Pony?" Anyway you look at it, the last after-game dance sponsored by the Graphic Arts Club, is a "Swinging Affair!" This was the third Sock-Hop held in the gym. It was first introduced by B.U.A.G.'s sponsor, Mr. Al Bromberg.

Space ships, weird colors, and funny one-eyed men decorated the River Forest High School gym on the evening of November 23. The theme was Martian Mardi Gras. Trophies were given for the best-dressed couple, Barbara Dwight and Wayne Potts; funniest costume, John Stratton; most original, Warren Whistler; prettiest, Judy Dismore.

The Ralph Lewis Orchestra played the music that night.

For the first time in the school's history the Ingot football team played on its own field. The field was dedicated at the halftime of the Walkerton game. Rep. Ray Madden, for whom the field was named, was the guest speaker.

In their opening game, which was also the first game to be played on the new field, the Ingots dropped a 27-12 decision to Hammond Tech. End Wayne Bernoska scored twice for RF both on identical 28 yard passes from Quarterback Bob Topper.

The second game for the year saw River Forest and East Gary battle to a scoreless tie. A traveling trophy was put into circulation at the game, the winning team to retain it for a year. The first team to win three years in a row will keep the trophy. East Gary will have possession of the trophy for the first semester of the school year and River Forest will have it the second semester.

The third game of the campaign proved to be one of the highlights of the season. This was due to the fact that it avenged a loss at the hands of New Carlisle last year. Desire and determination proved to be the big factor as the Ingots posted a 12-0 victory.

Halfback Lara blasted over for the first score giving the Ingots a 6-0 halftime lead. Midway through the fourth quarter Fullback Klawitter bulled over for the final score, assuring the victory.

The Walkerton game will not only be remembered, by some 2,500 fans for the 25-6 R.F. victory, but also for the fact that it was dedication night for the new football field. The halftime ceremonies were highlighted by the speech of Rep. Ray Madden. Congressman Madden showed his appreciation by stating, "I wouldn't have missed this game, even if I would have had to walk all the way from Washington."

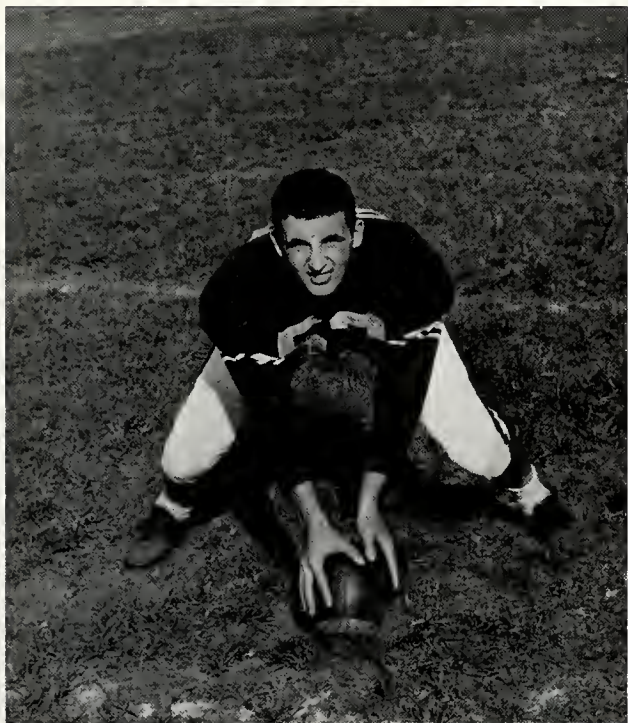

Touchdowns by Klawitter, Collins, and Lara gave R.F. a 19-0 halftime bulge. Another score by Klawitter and one by Walkerton ended the scoring for the night. The win marked the first time in history that an Ingot football team has won two straight games.

Homecoming

River Forest celebrated its Homecoming September 22, against Gary Andean. Although the Ingots didn't win this time out it proved to be one of the most impressive games of the year.

Some 3,000 fans watched as the Ingots came within three points (16-13) of beating a team favored to win by three touchdowns.

Andean scored late in the first period to take a 7-0 lead. Bouncing right back the Ingots scored on a 31-yard run by halfback Mike Lara. A pass from Collins to Bernoska notched the score at 7-all with the teams retiring at the half.

After the rest period Andean scored on a safety and then a touchdown giving them 16-7 lead. The "never say die" Ingots fought back in their next series of plays for a score. The last 21 yards was covered on a brilliant run by Lara. The attempted run for the PAT was short making the final score 16-13. The remainder of the game was a stand-off with neither team posing a scoring threat.

Fullback Gordon Klawitter bulls over a Walkerton player for a gain in the dedication night game against Walkerton. Harry Shawver (53) and Wayne Bernoska (75) are shown coming up in the background to give Gordon assistance.

River Forest met Portage on the gridiron this season for the first time in history. On runs of 18 and 45 yards Lara gave RF a 12-0 advantage, but a score by Portage just before the half ended made the score 12-7. Portage scored again in the third period and gained a 14-12 victory.

The Ingots bounced back from defeat and out classed North Liberty in a thrilling contest. Scoring first, on a short run by Lara, the Ingots took a 7-0 halftime lead. A score by Klawitter in the third period made it 13-0. In the final stanza North Liberty pushed across three TD's and the Ingots two, one an 8 yard run by Klawitter. The other was a back-breaking pass, with only 15 seconds remaining in the game, from Klawitter to Bernoska which covered 27 yards. Entering the final minute of play the score stood at 19-13. With 40 seconds left on the clock North Liberty tied the score, but then the stage was set for the Klawitter-Bernoska pass and the Ingots won 25-19.

Gordon Klawitter makes a bone-crushing tackle which helped the Ingots in obtaining a 12-0 victory over New Carlisle.

The Parents Night game against Chesterton proved to be quite embarrassing as the Ingot defensive unit was literally torn apart. This together with the fact that the offensive unit was unable to move, the Ingots lost 46-7. The only bright spot was a 75 yard pass from reserve Quarterback Pritchett to Bernoska for the TD.

With the defensive and offensive units working up to par again, the Ingots posted a 22-6 win over Hammond Gavit. Fullback Klawitter scored the initial TD on a short run. The second marker, a 46 yard pass play, came about when Klawitter's pass found end Bernoska open on the one yard line. The defensive unit redeemed itself when guard Terry Radovich blocked a punt in the end zone for a safety. Halfback Collins made the final tally for a 22-0 lead. Gavit pushed across its lone score late in the fourth period.

In the final game of the year and the last for the Ingot Seniors, Culver MA handed the Ingots a 19-6 setback. Trailing 19-0, the Ingots scored early in the fourth period on a 10 yard aerial from Lile to Bernoska. Culver thwarted several other Ingot drives later in the quarter, once stopping the Ingots on the six inch line.

Harry Shawver (53) aids Mike Lara (37) in advancing the football, and Hubert Stanley (67) rushes up to see what he can do.

Gordon Klawitter (11) churns up the turf for a first down in the East Gary game. Also shown are Bob Sul (78), Terry Radovich (64), and Roger Collins (38), lying on the ground.

Joe Castellanos (44) and Roger Collins (38) move up to stop the enemy ball carrier.

Off and running again is Mike Lara (37) and with Roger Collins (38) blocking for him he'll make it to the "Promised Land."

Jerry Gorby (83), John Romo (43), Lonny Minarich (23), Ken Novak (85), and Jack Martin (81), are doing everything possible to prevent a completion and a TD for Walkerton.

A block is thrown and with Dick Lile (12) leading the way Gordon Klawitter (carrying the ball) is sure to gain ground.

Phil Zoladz (24) gathers in the pigskin on the kickoff and begins to return it up field.

Lonny Minarich (23) brings down another Walkerton player as George Spargo (43) and Bill Swisher (65) look on.

Coach Donn Gear introduced interscholastic wrestling at River Forest this year. Wrestling got off to a good start despite the newness of the sport. The prospects for next year look good as there were only four seniors and no juniors on the squad.

On the reserve level the Ingots compiled a 7-3 record and on the varsity level a 1-2 record. Although lacking in experience the Ingots toppled Horace Mann 55-5 in their first meet. In their first varsity meet RF squeezed past East Gary 24-21 and lost to Chesterton 34-16 in their second encounter. History was made when River Forest met an opponent (East Gary) for the first time in the RF gym. A huge crowd watched as East Gary won 28-16.

History was made again when twelve RF wrestlers took part in the Gary Sectional for the first time. The seventh place Ingots showed good form in wrestling the more inexperienced teams from Roosevelt, Wirt, Emerson, Chesterton, Portage, and East Gary.

The River Forest varsity basketball team, under the leadership of coach John Newton, had the first .500 season in the school's five year history. The 12-8 record, actually equals a .600 season, is the best ever posted. The twelve wins exceed the total number of victories in the previous four years. The 81 points scored against Fair Oaks is the largest total ever produced by an Ingot team in the RF gym. In racking up 1209 points the Ingots surpassed, for the first time, the 1,000 point mark.

Losing their opener to Portage, the Ingots got on the victory trail by knocking off East Gary 50-48. The Ingots easily won four of the next five games and entered the Andean Tourney with a 5-2 record.

East Gary upset the Ingots in the championship game of the tourney 53-48. The first game saw Andean fall to the more powerful Ingots, 71-60.

Winning six of their last eleven games, the Ingots beat such teams as: St. Mary's, Fair Oaks, Culver MA, Hamm. Gavit, Dyer, and Wheeler.

The ball bounces high off the rim and out of reach of Warren Ratcliff (31) and Lee Courtney (41). Dick Lile (21) heads toward the ball in an attempt to retrieve it before any Portage player does.

Coach Bill Logan once again coached his team to a better than .500 season. Although the JV's didn't match the 14-6 record of last year's team the 13-7 record is still something to be proud of.

In the season opener the JV team dropped a 47-35 decision to Portage. The next three games saw East Gary, Hobart, and Boone Grove fall at the hands of the Jr. Ingots.

When tournament time came around the Jr. Varsity held a very excellent 6-1 mark. Disaster struck when Andrean managed to beat RF by two points 32-30. The second game saw the JV's defeat East Gary 42-41.

The JV team won seven of the remaining eleven games. The victories were over Hebron, St. Mary's, Chesterton, Fair Oaks, Dyer, Andrean, and Wheeler. The four losses came at the hands of Culver MA, Hammond Gavit, Westville, and Rolling Prairie.

Bottom row: Larry Powers, Dennis Czubik, Fred Lee, Jerry Vanderplough, Dave Lile, Mike Mullee, Eugene Montez, and Albert Lyons.
Top row: Mgr. Jim Ramsey, Mgr. Steve Morris, John Rogula, Steve Disney, Joe Garavalia, Larry Cagle, Bob Byrd, Rich Zimmerman, Dan Villagran, John Parks, and coach Charles Bencie.

37	Boone Grove	30	Andrean Tourney	21	Merrillville	38
40	Valparaiso	45	34 Hammond Gavit	46	34 Andrean	31
43	East Gary	36	39 East Gary	29	27 Hobart	23
42	Portage	40	36 Andrean	45	49 Horace Mann	26
48	Lowell	51	36 Boone Grove	45	49 East Gary	46
		32	Valparaiso	34	44 Chesterton	42

Football, anyone! George Semerau (51) seems to be throwing a block on a Boone Grove player as Lee Courtney (41) attempts to catch a touchdown pass, while actually it is just an ordinary scramble for a rebound.

Under the guidance of coach Chuck Bencie the freshman basketball team compiled a fine 10-7 record. The Ingot freshmen played perfect ball the first four games of the season and entered the Andrean Tourney with a 4-1 record. In the first game of the tourney Hammond Gavit stopped the Ingots cold 46-34. After losing the first game the Ingots were looking for revenge, and they took it out on East Gary in a 39-29 win.

Three games had passed before the freshmen won again, just squeezing past Andrean 34-31. The victory was the first in a string of five, which included wins over Hobart, Horace Mann, East Gary, and Portage.

The RF yearlings split the remaining two games of the season. The first was a 34-32 loss to Valpo and the second a 44-42 victory over Chesterton.

Yea Rah Ingots.

Pictured to the left are the Varsity Cheerleaders. They are Jean Morehouse, Sharon Wilson, Shirley Ellis, Carrie Czubic, Charlotte Coleman, Paul-ette Tesanovich.

Junior Varsity Cheerleaders, kneeling: Millie Arocho, Barbara Dwight. Standing: Melina Nehring and Linda Menefee

All three of these squads are familiar sights at Basketball games, Football games and Pep sessions. They lead us in cheers supporting our teams to VICTORY.

Freshman Cheerleaders, top row: Gail Cooper, Francine Prusinski. Bottom row: Martha Edge, Beverly Mast and Brenda Merodias.

Books, Why Can't You Tell?

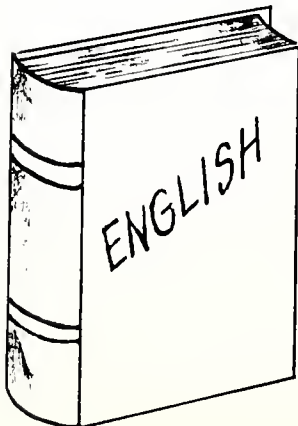

Well, old books, we've been pals for quite some time, haven't we? You've caused me a lot of work but I won't lay it up against you seeing that I managed to get through my tests without flunking and am really going to graduate from that tiresome work. I give you your share of the credit, pal, but most of it belongs to me for the time I spent on you.

ARITHMETIC, you old fright, I never have liked you. It hasn't been your fault that I didn't get brain fever several times over, trying to learn to add, multiply, subtract, divide, and—ugh!!! I could throw you across the room when I think of all the bother you gave me. But don't feel bad, old dear. It isn't your fault that your insides are so dry and boring. I suppose you were born that way and can't help it.

HISTORY, you haven't been too bad, You fixed it up so I got a real good mark on the exam. I'm grateful for all you taught me, because one must know about what has taken place in the country mustn't one? I'd feel like a simp if I didn't know that Columbus discovered us, in 1942—er—1942? No, of course not, I meant in—well, you know when it was old dear—you've got it right there in you. I shall remember you as long as I live—all about George Washington in the battle of Bull Run and everything. You've made me feel awfully educated.

ENGLISH, you're dear, I hope I never said anything to hurt your feelings cause I do like you. You taught me to speak most as well as a college graduate and I'll tell you a little secret but don't you tell. The boys of the class would laugh if they knew and the girls would turn up their noses, but—well, I've liked you so well—all the things you make me write, you know, that I shall be a noted writer after I finish school. I shall write love stories. Thank you so much old pal, for teaching me to write lovely language.

Tribute to Our School . . .

*Carol Polak 64
Wengel*

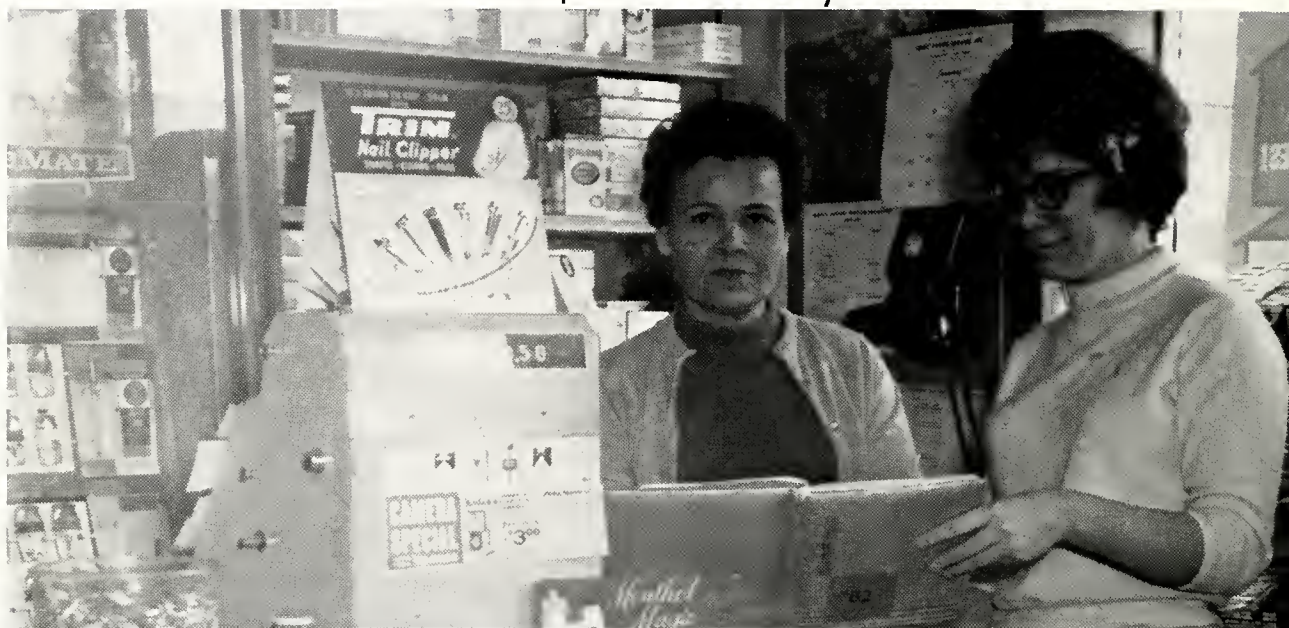

We, the SENIORS of 1963, are happy to salute the River Forest High School Spirit of Guidance, Leadership, Courage and Co-operation. These were the virtues that have made our four years of school something special to remember. We have learned to love associates which are here, and we shall always look upon the hours spent in this school as having been those of special privilege. There have been times of course, where our schoolmates have seemed uninteresting and our books dull. But now we know that the fault was in us, and we shall go forth remembering the bright spots of our school career, the joy we have experienced in mastering difficult tasks, the jokes, and sparkles of fun, Oh, many, many things we can recall and treasure among the memories of our childhood and youth.

The class which will take our place as SENIORS is a worthy class, and to its charge we entrust the fair honor of this school. We shall rejoice in their progress and happiness and success.

May they hold the banner high.

Sart,

First of all I want to wish you the best of luck in your future years and in with all the boys. I have know you for about a year and I have really enjoyed knowing you believe me it has been fun. Like the times that we went to new Buffalo with Larry & John and we always got a flat tire or something but we always made it back home sooner or later. Remember the party that you had and Betty got sick and we were up almost all the night. But we did have fun cleaning up your basement and have your father pick everyone out just when it was getting good. I had fun going out with Jim afterwards. He is a real nice guy. Thank of the time that we went to New Buffalo and walked from town in the snow and boy was it ever cold. Don't forget all the boys that you have went with. Remember all of your Senior friends that you have had and don't forget the Class of '63' but of course how could you ever forget all of us good old people. Come to the beach have a Party Saturday and we will have a ball but do bring your sword. I hope that we will get together after School is out. And catch back upon our friendship that we lost through madness.

As a member of the Senior Class, very soon you will be making a decision regarding a big step into the future. Perhaps your decision will be to go on for further education. Or it may be, you will be looking for the job of your choice. In either event, this decision will affect and shape your future life in many ways.

Regardless of what you decide, we hope that the Inland Steel Company will be a part of your future.

Many graduates are currently involved in successful careers here at the Harbor Works as part of the nation's basic steel industry.

Steel mill work today is highly complex, involving automated production lines which

WHAT IS YOUR FUTURE?

require people who can be trained in skilled jobs. Most of the jobs are involved directly in the steel-making process while others are available in the laboratories or in various departmental offices. Regardless of your interests, excellent opportunities exist with Inland Steel.

In addition to excellent paying jobs and an outstanding benefit program, Inland offers a variety of on-the-job training programs plus the Purdue-Inland Program. This Program, offered to a full time employee, provides training in the areas of steelmaking, mechanics, and electricity.

Plan now to investigate the many opportunities for your future with Inland Steel Company.
